

Parent Letter

Dear Parent or Guardian,

Your child has an amazing opportunity to join Discover Your Forest for an outdoor educational experience. Discover Your Forest engages your child with real science and hands-on activities during a tour with Forest Service Educators on Deschutes National Forest.

The following items are required for participation:

- **Signed Permission Form**
 - Provided from your child's school.
- **Packed Lunch and Snacks**
 - Outdoor activities require lots of energy. To keep your child fueled, please provide a big healthy lunch, snacks and a full water bottle.
- **Appropriate Outdoor Clothing**
 - Please send your child dressed in many shed-able layers as well as a backpack for storage. For winter tours, make sure your child is equipped with warm socks, an extra pair, as well as waterproof hiking boots or shoes (wet/cold feet are no fun!), a warm coat, mittens/gloves and a hat.

If you have any questions or concerns, please contact your child's teacher.
